2022 - 2023

GREETINGS

Dear Friend,

It is with great appreciation that we present our 2022-23 Year in Review.

Whether it be through Hebrew School, Holiday programming, cultural events, social events, adult education or community dinners, every individual can find a warm and welcoming place to celebrate their Judaism.

For some, its their only exposure to their rich heritage, for others its a place to reinforce their commitment. But for everyone, it is a place to call home.

With Rosh Hashanah approaching, we hope that the upcoming year will bring with it happiness, health, and unity. May it be a year of tremendous growth for our community, allowing us to be there for each other in an even more profound way.

With Appreciation,
Rabbi Moishy & Chana Kalmenson
